### **KEATING FENCE REPAIR**

#### **Attention Resident:**

Weather permitting Wednesday April 9<sup>th</sup>, 2014 repairs to the fence along Keating will begin. You are receiving this notice because the section behind your home is in need of post repairs or replacement. This could result in sections of the fence to be removed for a period of time.

If you have any items along the fence lines please move it out of the way and kindly clean any pet waste. In the future refrain from leaning anything on the fence.

If you have pets use caution when letting them outside. A section of the fence may have been removed or there could be a worker in the yard.

Hopefully this will only take a day. Keep in mind due to weather this work may continue into the end of the week.

The Board of Directors would like to thank you in advance for your consideration. If you have any questions feel free to contact me via email [Katie@baumprop.com](mailto:Katie@baumprop.com) or 630.897.0500 X1835.

Thank you,  
Katie Ellis, CAM
